PUNTUACIÓN DEL EJERCICIO:
 Resultado correcto del apartado 1º: 2 puntos
 Resultado correcto del apartado 2º: 3 puntos
 Resultado correcto del apartado 3º: 3 puntos
 Resultado correcto del apartado 4º: 2 puntos
 Para obtener el aprobado será necesario alcanzar 5 puntos
 Nota: Los errores conceptuales se puntuarán negativamente.

The diagram consists of a horizontal line. Below this line, on the left side, is an inverted triangle with its base on the horizontal line and its vertex pointing downwards. To the right of the triangle, there is a vertical line segment. Both the top and bottom endpoints of this vertical segment are marked with small open circles.

The diagram consists of a horizontal line. Below this line, there is a downward-pointing triangle. To the right of the triangle, there is a vertical line segment with open circles at both its top and bottom ends.
